Announced league tables include all deals that were announced between January 1, 2022 and September 30, 2022 and of which Refinitiv was made aware. All current data and previous year's data is as of 6:00 pm EDT on October 11, 2022.

League tables include rank eligible mergers, acquisitions, repurchases, spin-offs, self-tenders, minority stake purchases and debt restructurings. A tender/merger transaction is considered to be effective at the time of consummation of the merger or the date on which it is declared wholly unconditional. Deals with undisclosed dollar values are rank eligible but with no corresponding Rank Value. Non-US dollar denominated transactions are converted to the US dollar equivalent at the time of announcement of terms.

Financial and legal advisors receive full credit for each deal on which they provide financial or legal advisory services, unless they represent minority sellers or advise on only a portion of the transaction or Refinitiv has not been made aware of their participation in that transaction. For pending transactions, advisors to targets of multiple bids receive credit for the transaction agreed to or, in the absence of an agreement, the value of the highest offer.

Any Involvement league tables include deals where the target, acquirer, or either ultimate parent are domiciled (nation of headquarters) in the specified region or nation. Any involvement league tables also include the nation of the seller and seller ultimate parent on privately negotiated stake purchases

League tables, commentary, and charts citing announced activity are based on Rank Date and include intended, pending, partially complete, completed, pending regulatory, and unconditional transactions. Rank Date is defined as the earliest public announcement of when a value can be applied to a transaction.

League table volumes for Mitsubishi UFJ Financial Group and Morgan Stanley, included herein reflect the changes after the commencement of their jointly established securities firms in Japan: (1) Mitsubishi UFJ Morgan Stanley Securities and (2) Morgan Stanley MUFG Securities. Accreditation for transactions involving the newly established joint ventures are reflected in totals for Morgan Stanley. For Japanese related rankings, Morgan Stanley is represented as "Mitsubishi UFJ Morgan Stanley".
